

Rimkhopfa Camp

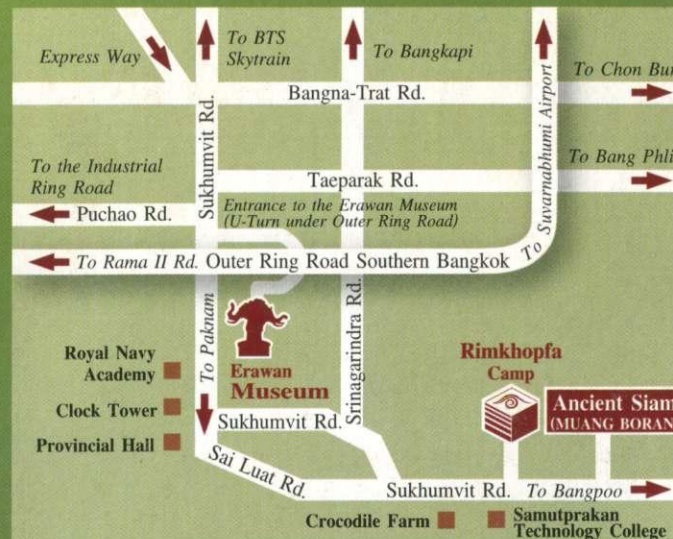

Training Center & Urban Resort

Situated in the area of "Ancient Siam", the place that presents Siam's past through its various styles of architecture, the camp was founded not only to accommodate the visitors, but also to be a new learning center in Samutprakarn, where children, youths and adults will enjoy their visits by gaining knowledge and appreciation of Siam heritage in the historical atmosphere. With its foundation stone ceremony on July 9, 2005, the camp first opened on February 16, 2007.

Objectives

- ❖ To functioned as a recreational and educational camp for children and youths in order to promote and nurture ethics, moral integrity, discipline and team unity.
- ❖ To be a source of knowledge in history, culture and tradition of Siam.
- ❖ To provide the facilities for meeting and seminar of the public sector, private sector and any other special events.
